COVID-19: Attention Devotees

As COVID-19 has been declared as national emergency and as Santa Clara County announced lockdown in Bay Area, **Shirdi Sai Darbar temple will be closed from March 17th, 2020, Tuesday to May 3rd, 2020, Sunday**. We will closely watch the situation and update temple webpage, i.e. www.shirdisaidarbar.org and Facebook page (facebook.com/shirdisaidarbar) if there is a change in status.

We request all devotees to stay home and be safe, per government recommendations. Please follow guidelines from CDC and keep yourself and your families safe. Kindly be extra vigilant if you have elderly people at home or those with pre-existing conditions as described by CDC.

These are challenging moments in our lifetime and lets all pray together to Sai to give us the strength to get through this and guide humanity out of this crisis. Even though we will not be able to come to temple, let's show our devotion to Baba by reading Shri Sai Satcharitra Chapter 1 every day and pray for all of humanity.

You can watch all Aarthi's live on our YouTube channel - <https://www.youtube.com/user/shirdisaidarbar> . Staying at home and being in lockdown for long periods of time will be challenging for all of us. We hope this helps you meditate on Baba to give you and your family strength. Please feel free to sing along with the Aarthi's to your heart's content from your home and connect with Baba.

Please contact shirdisaisevak@yahoo.com for any questions. Thank You! Sai Ram!
